STAT 220

### Special Notes

At least 5 PSYC courses must be 3xx/4xx level

At least 2 PSYC courses must have a lab

The timing of many of the courses in the 4-year plan is often more flexible than indicated. The major sequence of courses for the PSYC major is the following:

MATH 101 (or equivalent), then STAT 220, then PSYC 212, then PSYC course with a lab #1, then PSYC course with a lab #2.
